Bloomington Obedience Training Club Flyball Class Registration

Conditions of Registration

REFUNDS

It is the policy of Bloomington Obedience Training Club (BOTC) to offer NO refunds for incomplete classes, except upon receipt of a veterinarian's written note certifying the death or disabling injury of the enrolled dog.

LIABILITY

Handlers are liable for any injury or damage sustained or caused by their pet or themselves while participating in THE CLUB activities.

EQUIPMENT

We require the use of a buckle or snap collar and a 6 foot leash for training classes. The collar and leash are supplied by the handler.

Bring a baggie full of soft doggie treats (cut up hot dogs, cut up cooked steak, SOFT dog kibbles, etc.)

HEALTH

Rabies certificate and proof of parvo vaccinations are required for all dogs attending classes.

If your animal has a temporary communicable medical problem, such as fleas, kennel cough, etc. do not bring him/her to class. You may still attend classes without your dog.

We also require that any bitch in season not be brought into the BOTC training facility. We will make every attempt to reschedule any unused block training session. Please discuss this with your instructor.

GENERAL

It is the policy of BOTC to provide a safe facility in which to train dogs.

- The members of BOTC believe all dogs should be handled in a humane manner. If any BOTC Instructor or BOTC Board Member determines that an animal is being mistreated, or is in any way in danger by the owner/handler, that animal and owner/handler may be asked to leave the BOTC facility.
- Aggressive dogs will not be tolerated within the BOTC facility. If an Instructor or BOD Board Member feels your dog is aggressive towards any human or any dog, you will be asked to leave the facility.

It is the responsibility of the dog's handler to clean up any feces left by their animal. This includes inside the BOTC training facility, as well as the grounds outside the facility.
