

# Tellington TTouch® Training

# for Companion Animals

“A gentle, respectful and effective approach to the care and training of our animals.”

Weekend workshop with dogs: May 13-14, 2017

3-day training\* with dogs: May 13-15, 2017

(\*Qualifies towards Practitioner Certification)

Location: Bloomington, MN

*With Advanced TTouch Practitioner Sage Lewis*

- **TTouch®** alleviates common behavioral issues such as fear of thunder, leash pulling, jumping up, shyness, excessive barking, aggression and reactivity, hyperactivity, resistance to grooming, etc.
- **TTouch®** gives you new tools for improving your animal's performance and pleasure - in competition, companionship or service.
- **TTouch®** supports veterinary care, enhances health and well-being, reduces stress and aging issues, and speeds up healing after injury, surgery or illness.
- **TTouch®** deepens the relationship between you and your animal friend – dog, cat, bird, guinea pig and even reptiles!

**Early bird discounts available until April 15!**

Introductory cost for three-day training: \$400.00 - Early bird \$350.00

Weekend workshop cost: \$275.00 - Early bird \$250.00

Registration limited.
